A versatile and prolific veteran actor (his first paid film role was at age nine!), Sky returned to Central Florida in 2015 after more than a decade working in Hollywood.

His Los Angeles stage credits include Actors Co-op's *To Kill a Mockingbird*, as well as *Rhinoceros* and *Bury The Dead* with The Antaeus Classical Theatre Company. He also was in California Artists Radio Theatre's *Leviathan 99* - a radio drama tribute to author, Ray Bradbury, performing live-on-stage with a cast that included William Shatner, Sean Astin, Samantha Eggar, Norman Lloyd and Walter Koenig. In regional theatre, Sky has performed lead roles in *Barnum*, *California Suite*, *Noises Off!*, *The Music Man*, *The 1940's Radio Hour*, and *Murder in The Cathedral*, among many others.

Sky's network and cable television work includes a recurring role (40+ episodes) as a mysterious Monk on the NBC daytime drama series, *Passions*, and supporting role appearances on ABC's *Jimmy Kimmel Live!* and *Commander-In-Chief*; FOX's *MADtv*; and *Untold Stories of the E.R.* on The Discovery Channel and Animal Planet's sit-com, *Ella & Me*. He's also been seen on HBO's *Deadwood*, WB's *Gilmore Girls*, and NBC's *Medium*, to name a few.

His feature film credits include *Can I Get a Witness Protection?*, *Ten Men on The Field*, *The Marionette*, *Who Wants to Marry My Husband?*, and a song-and-dance lead role as a well-meaning but inept wizard in the Barney & Friends family movie, *The Land of Make Believe* (distributed internationally). He also appeared in music videos for Christina Aguilera (*Hurt*) and Eurythmics (*I've Got a Life*), which reached #1 on the Billboard Magazine club charts.

Sky's work as a voice actor includes the role of "Air Traffic Control" for Paramount Digital's *TOP GUN: Wingman Edition* video game; narration for a reality TV show produced by the team behind Bravo's *Real Housewives of Beverly Hills*; and multiple live radio drama productions, live on stage with classic comedians Carl Reiner, Linda Henning, Marvin Kaplan and JoAnne Worley. In total, including the 15 years he spent as a radio and television host, Sky has voiced and/or produced thousands of commercial, narration, ADR and animated character projects.

Through the years, Sky has also been seen (or heard) in live and multi-media theme park attractions at *Universal Studios Florida/Islands of Adventure/The Wizarding World of Harry Potter*; the *Walt Disney World Magic Kingdom*; and NASA's *Space Center Houston*.

Now semi-retired, Sky remains active in entertainment, and enjoys hiking, biking and travel. He currently lives in Orlando with his wife, Sharon.
